COMPOSITION

- Maqui berry extract (*Aristotelia chilensis*)
- Standardized to a minimum 25% delphinidins and a minimum of 35% total anthocyanins

DAILY DOSAGE

- 60 mg

FORM

- Powder

SOLUBILITY

- Water-Soluble
- Patented
- GMP Certified
- HACCP Certified
- Kosher Certification by Orthodox Union, NY
- Halal Certification by Halal Control
- GRAS

ORIGIN

- Harvested in Patagonia, Produced in the EU

DEVELOPER

- Maqui New Life S.A.

Delphinol® is a safe, natural extract of the maqui berry, with exceptional anti-aging, anti-inflammatory and antioxidant benefits.

The maqui berry is the most potent antioxidant superfruit in the world with seven times the antioxidant content of acai and nine times that of goji berry.

Apart from being an excellent antioxidant, Maqui berry is rich in polyphenols, anthocyanins, and other nutrients, helping to stabilize blood glucose levels, reduce oxidative stress, and protect against aging.*
