SCIENCE-BASED INGREDIENTS

# MaquiBright®

*Natural Support for Eye Health*

MaquiBright® is the only standardized extract of the Maqui berry, rich in anthocyanins and delphinidin. Its patented formulation nourishes the eyes and naturally restores the normal production of tears.\*

## SUPPORTS EYE HEALTH

MaquiBright® naturally and safely supports eye health with its high antioxidant and anthocyanin content.\*

## PREVENTS DRY EYES

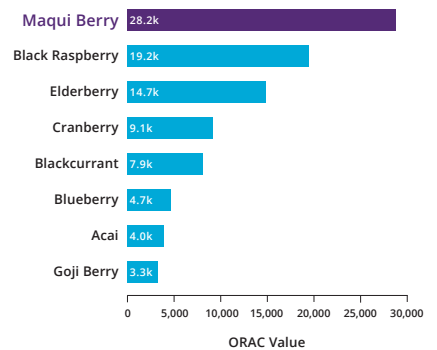

MaquiBright® prevents dry eyes by quenching oxidative stress and restoring tear fluid generation from the lacrimal glands.\*

## RELIEVES DRY EYE SYMPTOMS

In clinical studies, MaquiBright® decreased symptoms associated with dry eyes, including sore eyes, ocular fatigue, and redness.\*

Maqui berries have 7x the antioxidant qualities of acai and 9x that of goji berries.

## KEY HIGHLIGHTS

### CLINICAL RESEARCH PUBLISHED

- Nutraceutical and antioxidant effects of a delphinidin-rich maqui berry extract: a review. Watson RR, Schönlau F. *Minerva Cardioangiol.* 2015 Apr;63(2 Suppl 1):1-12. PMID: 25892567.
- A Randomized Clinical Trial Evaluating the Efficacy of an Anthocyanin-Maqui Berry Extract on Oxidative Stress Biomarkers. Davinelli S, Bertoglio JC, Zarrelli A, Pina R, Scapagnini G. *J Am Coll Nutr.* 2015;34 Suppl 1:28-33. doi: 10.1080/07315724.2015.1080108. PMID: 26400431.

*Please contact us for a complete list of research references and scientific manuscripts.*

### COMPOSITION

- Maqui berry extract (*Aristotelia chilensis*)
- Standardized to a minimum 25% delphinidins and a minimum of 35% total anthocyanins

### DAILY DOSAGE

- 60 mg

### FORM

- Powder

### SOLUBILITY

- Water-Soluble
- Patented
- GMP Certified
- HACCP Certified
- Kosher Certification by Orthodox Union, NY
- Halal Certification by Halal Control
- GRAS
- Self-Affirmed GRAS

### ORIGIN

- Harvested in Patagonia, Produced in the EU

### DEVELOPER

- Maqui New Life S.A.

MaquiBright® is a safe, natural extract of the maqui berry, supporting eye health while relieving and preventing dry eyes.\*

Dry eyes result from an imbalance of tear fluid secretion and its evaporation and drainage. Research has shown that tear fluid secretion from lacrimal glands, which are positioned under the eyelids, decreases as a result of oxidative stress.\*

MaquiBright® quenches this oxidative stress, naturally restoring tear fluid generation while relieving and preventing dry eyes.\*
