

# Metaberine<sup>®</sup>

*Enriched Berberine for  
Healthy Metabolic Function*

Metaberine<sup>®</sup> is a proprietary Berberine extract that enhances GLP-1 activity and improves blood glucose response at a dramatically lower daily dose.\*

## ~9X MORE BIOAVAILABLE

Thanks to proprietary BioSOLVE<sup>®</sup> Technology, Metaberine<sup>®</sup> is ~9x more bioavailable than generic Berberine extracts.\*

## FASTER ONSET & HIGHER PEAK

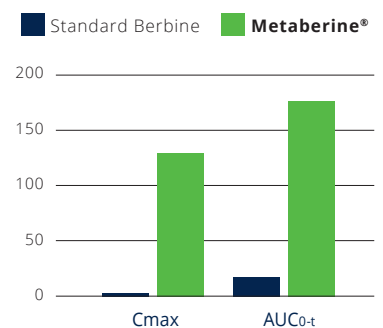

Compared with standard Berberine, Metaberine<sup>®</sup> achieves faster absorption and onset, with 37.3x higher maximum concentration.\*

## REDUCED DAILY DOSAGE

At just 200 mg/day, Metaberine<sup>®</sup> delivers higher plasma levels at a fraction of the usual dose, making it ideal for modern metabolic health formulas.\*

**~9x More Bioavailable and  
~37x Higher Maximum Concentration**

# Metaberine®

Enriched Berberine for Healthy Metabolic Function

Metaberine® is the world's first proprietary green technology based Berberine ingredient.

Berberine supports metabolic health by activating AMPK, a key enzyme for regulating energy, blood sugar, and lipid metabolism.\* Despite its benefits, Berberine has been constrained by low bioavailability, poor solubility, and high daily doses.

Thanks to BioSOLVE® Technology, Metaberine® delivers:

- 9x more bioavailability\*
- 37.3x higher Cmax\*
- Increased solubility\*
- Lower daily dosage\*
- A better sensory profile\*

KEY HIGHLIGHTS	
<b>RESEARCH PUBLICATIONS</b>	• Human clinical study manuscript under preparation for peer-reviewed journal submission (Q1-2026).
<b>COMPOSITION</b>	• <i>Berberis aristata</i> (Berberine Extract)
<b>SOLUBILITY</b>	• Water soluble
<b>APPEARANCE</b>	• Yellowish uniform, free-flowing powder
<b>RECOMMENDED DOSAGE</b>	• 200 mg once daily
<b>APPLICATIONS</b>	• Capsules, Tablets, Sachets, Stick Packs, Powders
<b>CERTIFICATIONS</b>	• Non-GMO • Gluten-Free • Vegan • Halal Certified • Kosher Certified • Allergen-free • ODI (Old Dietary Ingredient)
<b>DEVELOPER</b>	• Zeus Hygia Lifesciences Pvt. Ltd.
